**NATIONAL SPEAKERS/BEST SELLING AUTHORS LEAD AGENDA AT
PREVENTION NETWORK SUMMIT**

Syracuse, NY—Two national speakers—Toren and Chris Volkmann, best-selling authors of **From Binge to Blackout**—will lead off the agenda at Prevention Network’s Underage Drinking Prevention Summit, on Thursday, October 23, 2008, from 8AM-3PM, at Drivers Village Conference Center. The mother and son co-authors will tell their family struggle with teen drinking during the opening session at the agency’s day-long conference for parents, school counselors and administrators, and law enforcement personnel. The third annual Summit, entitled, *What’s It Going to Take? Preventing Underage Drinking—A Pro-Active Approach*, will offer a variety of workshops to help support youth and families to live healthy and positive lives. A complete list of workshop titles and presenters is attached.

For more information about the conference, which costs \$40 and includes lunch, contact Phil Rose at 471-1359 or prose@preventionnetwork.info

Prevention Network has been making CNY a healthier community since 1949 by providing proven and measurable programs to prevent addictions and address other problem behaviors.
